Re: Reconstituted Red Blood Cells *ISBT 128* Product Codes

Carter BloodCare has historically provided reconstituted blood with *ISBT 128* product codes defined for the red cell and plasma component separately, rather than an all-inclusive reconstituted red blood cell code. We are pleased to notify you that work should be completed by September 30, 2017, permitting distribution of reconstituted blood with one of the ISBT product codes listed below.

ISBT 128 Product Code	Product Code Description
E8986	Reconstituted Red Blood Cells, Plasma Added
E8521	Reconstituted Red Blood Cells, Irradiated, Plasma Added
E8987	Reconstituted Red Blood Cells, AS-1, Plasma Added
E7900	Reconstituted Red Blood Cells, AS-1, Irradiated, Plasma Added
E8563	Washed, Reconstituted Red Blood Cells, Plasma Added
E8562	Washed, Reconstituted Red Blood Cells, Irradiated, Plasma Added

Please take the steps necessary to accept these products into your computer system as applicable. Example product labels for your reference are included.
