Re: Maintenance Downtime Central Texas
October 26, 2017, 12:01 a.m. to 6:00 a.m.

The network provider for the Central Texas location will be performing maintenance on October 26, 2017, from 12:01 a.m. to 6:00 a.m. Phone and computer access may be intermittently unavailable throughout this time period. Please contact Bedford Distribution directly if you do not obtain a response when contacting Woodway Distribution.
