Re: Network Maintenance Downtime
November 11, 2018 4:00pm-5:00pm

On Sunday, November 11, 2018, routine maintenance will be performed on the network affecting internet service. The downtime is expected to last approximately one hour, between 4:00pm and 5:00pm.

We do not anticipate problems with phone services; however, should you encounter problems, please use the emergency contact numbers.
