**Re:** Irradiator Maintenance –**February 14, 2019**

On Thursday, February 14, 2019, from 8:00am to 1:00pm, the irradiator at the Bedford location will be unavailable due to preventative maintenance. Please plan accordingly and submit planned orders prior to 7:00am on February 14, 2019.

In preparation for the downtime, a supply of irradiated components will be available on hand. Please note that once the irradiated stock is depleted, orders will be filled following completion of the maintenance process.
