**Re:** Cryoprecipitate Inventory

**Overview:**

Cryoprecipitate – single and pooled production has been matching community need for the last few weeks; however, this week the number of requests has surpassed production capacity. We are diligently working to import both single and pooled units of cryoprecipitate.

**Impact to Clients:**

- Anticipate delays in filling stock cryoprecipitate orders.
- Please consider stocking only for emergent and as needed basis until further notice.

**Client Action Required:**

- Notify appropriate staff and medical director as applicable.
