

## Carter BloodCare

We save lives by making transfusion possible.

**To:** Transfusion Services Managers  
**From:** Hospital Relations Department  
**Date:** July 15, 2015  
**Re:** Distribution Coolers

Carter BloodCare Distribution is replacing worn coolers (small and large) used for blood product transport. The new coolers are identical in size; however, the coolers are **blue** and are distinguishable by the Carter BloodCare logo. Please note that the customary red coolers are being phased out.

Please alert your staff to the change in order to prevent potential product delays.
