Re: Irradiator Maintenance – **February 18, 2020**

On Tuesday, February 18, 2020, from approximately 8:00am to 2:00pm, the irradiator at the East Texas location will be unavailable due to scheduled preventative maintenance.

In preparation of the downtime, a supply of irradiated components will be available on hand. Please note that if the irradiated stock is depleted, orders will be filled following completion of the maintenance.

Impact to Clients:

- Please plan accordingly and submit planned orders prior to 7am on February 18, 2020.
- Irradiation for specialty products, such as pediatric packs will be filled following the maintenance.
