Re: Irradiator Maintenance – **February 19, 2020**

On Wednesday, February 19, 2020, from approximately 1:00pm to 7:00pm, the irradiator at the North Texas location will be unavailable due to scheduled preventative maintenance.

In preparation of the downtime, a supply of irradiated components will be available on hand. Please note that once the irradiated stock is depleted, orders will be filled following completion of the maintenance.

Impact to Clients:

- Please plan accordingly and submit planned orders prior to 1:00pm on February 19, 2020.
- Irradiation for specialty products, such as pediatric packs will be filled following the maintenance.
