Re: Network Maintenance October 27, 2020

Our network service provider will be performing maintenance between **the hours of 12:00 a.m. and 6:00 a.m. on Tuesday, October 27th, 2020**, which will result in a loss of service for Carter BloodCare Central Texas Distribution. The maintenance is expected to last up to three hours. Customers will need to call and fax directly to the North Texas Bedford location during this time as the phone lines into Central Texas distribution will be non-functional.
