**Re:** Irradiator Maintenance – **January 27, 2021**

On Wednesday, January 27, 2021 from approximately 8:00am to 2:00pm, the irradiator at the East Texas location will be unavailable due to scheduled preventative maintenance.

In preparation of the downtime, a supply of irradiated components will be available on hand. Please note that if the irradiated stock is depleted, orders will be filled following completion of the maintenance.

**Impact to Clients:**

- Please plan accordingly and submit planned orders prior to 7am on January 27, 2021.
- Irradiation for specialty products, such as pediatric packs will be filled following the maintenance.
