Re: Network Maintenance March 4, 2021

Our network service provider will be performing emergency maintenance between **the hours of 12:00 a.m. and 6:00 a.m. on Thursday March 4, 2021**, which will result in a loss of service for Carter BloodCare Central Texas Distribution. The maintenance is expected to last up to six hours. Customers will need to call and fax directly to the North Texas Bedford location during this time as the phone lines into Central Texas distribution will be non-functional.
