Re: Updated Circular of Information - Electronic Version

Please find attached the updated electronic version of the Circular of Information specific for Carter BloodCare. This version includes updates appropriate to the implementation of the bacterial risk control strategies for platelets established by the December 2020 FDA guidance for industry.

Additionally, the electronic version can be accessed and viewed at the following link:

Direct link: [Circular of Information Carter BloodCare](#)

Or by going to Carterbloodcare.org, click on "[Hospital Partners](#)" and then click on "[Licenses & Accreditations](#)."
