**Re:** East Texas Network Maintenance

Our network service provider will be performing standard maintenance between **the hours of 12:00 a.m. and 6:00 a.m. on Wednesday October 13, 2021** which will result in a loss of service for **Carter BloodCare East Texas Distribution**. The maintenance is expected to last one hundred and eighty minutes and could happen anytime during the 12:00 a.m. to 6:00 a.m. window. Customers will need to call and fax directly to the North Texas Bedford location during this time as the phone lines into East Texas distribution will be non-functional.
