Re: Clinical Apheresis Fax Number

The Clinical Apheresis Services (CAS) department will be relocating to a new location. As part of the move, the current fax line must also be relocated. If you experience any issues faxing the CAS department beginning Wednesday October 13th, 2021, please use 972-385-4586 as a temporary backup fax number.

CAS Department Fax: 972-661-9409
Temporary CAS Fax if issues are experienced: 972-385-4586
