Re: Service Manual and Certificates of Accreditation

Periodic updates to the Carter BloodCare Service Manual are necessary throughout the year. Previously, Carter BloodCare moved to an electronic copy of the Service Manual. This allows you to update entire sections containing updates and eliminates the need to replace specific printed pages that have been updated in the section. You maintain the ability to print out physical copies of the service manual at your discretion.

Please update Section 1.0 General Information and Section 1.0 Forms, Section 4.0 Forms only, Section 8.0 Forms only, and Section 13 Forms only.

Please download and replace the attached:

- 1.0 General Information
- 1.0 Forms General Information
- 4.0 Forms Reporting Suspected Transfusion Complications
- 8.0 Forms Special Donations
- 13.0 Forms Clinical Apheresis

A current copy of the Service Manual can also be accessed via iWeBB at <https://iwebb.carterbloodcare.org/ServiceManual/Index>

Additionally, Carter BloodCare's updated Certificates of Accreditation and Licenses can be found at <https://www.cbcspecialtyservices.org/licenses-accreditations>
