**Re:** Welcome Christina Ramos

Carter BloodCare is excited to welcome Christina Ramos, Client Relations Manager, to the hospital relations team.

Christina joins Carter BloodCare with over 10 years of experience in blood banking and transfusion medicine. She began her immunohematology career at Parkland Health and Hospital System in Dallas and later joined the Methodist Health System in Dallas. Christina received her MLS certification from Texas A&M University in Corpus Christi and she holds her Specialist in Blood Bank (SBB) from the University of Texas Medical Branch Galveston. Many of you may be familiar with Christina in her most recent professional role as the Immucor Blood Bank Business Manager for the Texas region.

Our goal is to provide exceptional customer service and I am confident Christina will deliver on that promise.

Christina is ready to assist you and can be contacted at:

Office: 817-412-5720
