Re: Network Maintenance April 12 and 13

Our network service provider will be performing maintenance between **the hours of 12:00 a.m. and 6:00 a.m. on Tuesday April 12, 2022, and Wednesday April 13, 2022** which will result in a loss of service for Carter BloodCare North Texas and Central Texas locations. The maintenance is expected to last up to 3 hours each day. Customers will need to call and fax directly to the North Texas Bedford location during this time as iWeBB will be nonfunctional during this time.
