Re: Red Blood Cell Inventory Update

Based on the community response and with several robust blood drives scheduled this week, we anticipate a steady return of expected blood inventory levels by the end of the week. While we are not yet at optimal inventory levels, we are still counting on our community to make appointments and stay committed to them.

Call for appointments - (817) 412-5830

Text for appointments – Text the words Give4Life to 444-999

Host a blood drive – contact us at BookABloodDrive@carterbloodcare.org

We sincerely appreciate your cooperation and understanding.
