Re:	Blood Product Order Updates to WeBB [®]

Background

Carter BloodCare offers the ability to submit blood product and laboratory services order online via iWeBB. We are excited to announce that as of November 4, 2022, liquid plasma and low titer O whole blood (LTOWB) have been added to the blood product order menu.

Impact to Clients

- Liquid plasma, irradiated liquid plasma, and LTOWB will display as product options under "Blood Product Orders"
- Step by step instructions and screenshots for your review

Select Order Blood Product on the top left corner of the screen.
