The results are in...

Mostly 1's: Zack Morris

The Ace: He's popular, gets all the girls, is fairly good at sports, musically talented, The Charmer, and despite being a slacker, he gets unbelievably high SAT scores with a fictional Ivy-League college pining for him.

Mostly 2's: A.C. Slater Sanchez

Loveable Jock: He is a star wrestler and basketball player and while a bit of a hothead, he has a hidden heart of gold. He has the most practical real-world skills of the gang such as knowing how to fix cars and cook.

Mostly 3's: Screech Powers

Extroverted Nerd: He's got book smarts. He's eccentric, nerdy, and can be annoying every now and then. However, he is a very loveable, sweet, and a great friend to have. He provides comic relief for the group.

Mostly 4's: Kelly Kapowski

The Class Princess: She is sweet, kind and the quintessential girl-next-door. The most popular girl in school but has compassion towards others and doesn't like upsetting people.

Mostly 5's: Jessie Spano

Academic Go-Getter: Academic overachiever, environmental activist, and class president. Overall, a good-hearted person, with dreams of going to Stanford. Aside from her vast intelligence, she's also very into volunteering her time for causes she cares about.

Mostly 6's: Lisa Turtle

The Fashionista: She's fashion obsessed, occasionally dropping "like" and "totally." But she's smarter than most - and the fashion obsession is partly because she wants to work in the industry. She gets accepted to a prestigious fashion institute at the end of high school.
