

Blood Matters: News for Blood Bank Medical Directors, Physicians, and the Lab – July 2023

Blood Matters is a quarterly news outlet with important medical information for you. We hope you will share it with others interested in the work we do together. Please review and share with your facility's medical director and executive leadership.

Articles written by our medical director team this quarter:

- [Inaugural Blood Advocacy Week scheduled for April 24-28, 2023](#)
- [Omisirge: First FDA Approved Ex Vivo Expanded Cord Blood Graft for Stem Cell Transplantation](#)
- [New Platelet Pooling Product Coming This Year](#)
- [Directed Blood Donation](#)

Carter BloodCare News:

- [Fran Carson receives South Central blood banking award](#)
