**Re:** Central Texas Temporary Phone Outage April 17

**Background**

Our network provider will be migrating phone numbers to a new circuit Wednesday, April 17, 2024, between 1200 and 1330, resulting in temporary service interruption of phone lines to and from the Central Texas location. This will only affect the Central Texas location.

**Impact to Client**

- Please call the Central Texas location using the emergency numbers listed below.
- Online orders can be placed via iWeBB as normal.
- Fax communications are unaffected.
